

# Network Security Analysis Report

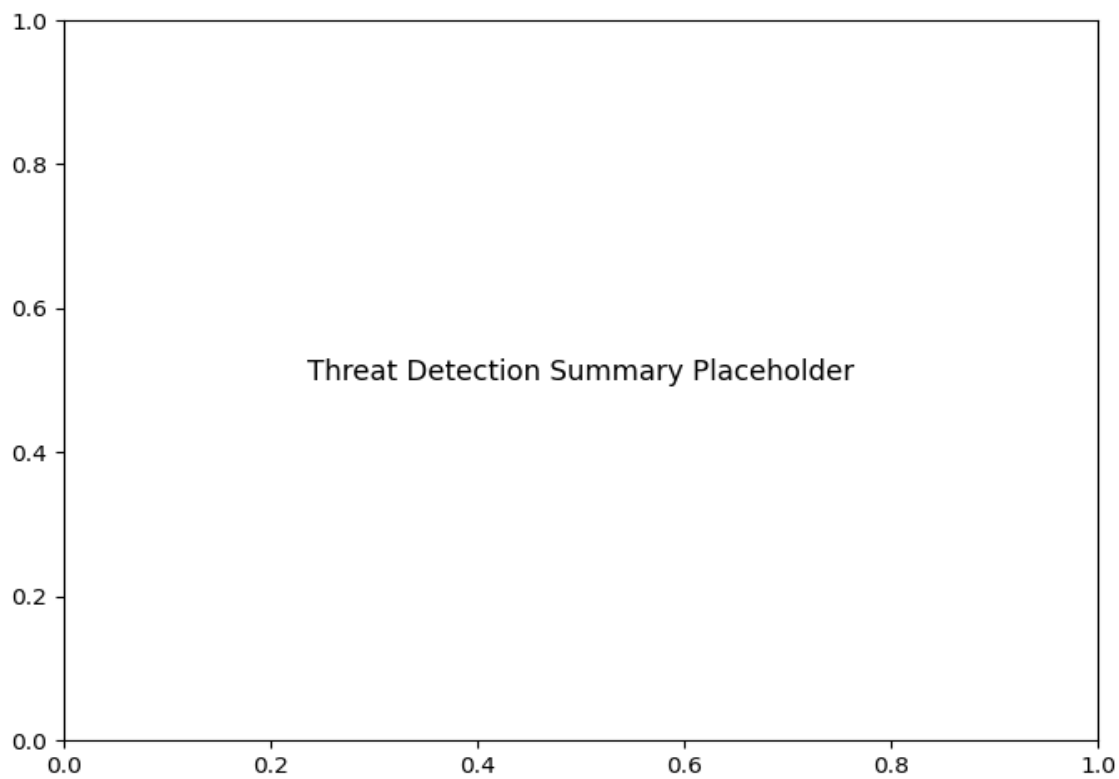

## AI-Powered Security Insights

AI Insights unavailable: You tried to access openai.ChatCompletion, but this is no longer supported in openai>=1.0.0 - see the README at <https://github.com/openai/openai-python> for the API. You can run `openai migrate` to automatically upgrade your codebase to use the 1.0.0 interface. Alternatively, you can pin your installation to the old version, e.g. `pip install openai==0.28` A detailed migration guide is available here: <https://github.com/openai/openai-python/discussions/742>

## Protocol Distribution

## Threat Detection Summary

Detection Type	Count
Potential DNS tunneling detected	6
